
Petooti App Amendments

01

App Amendments

Search Page

1.

Amendments needed: Current Icons need to be proportional to the ones on the home page

Action: Please correct the size of the icon boxes and icons to be the same size as the home page. Not Compressed.

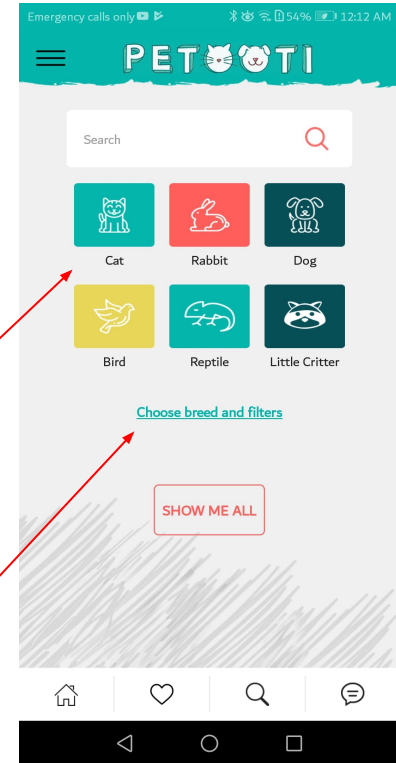

2.

Amendments needed: Search filters text to be changed

Action: Please change the text of “choose breed and filters” to “Advanced Search” and format the text to be a larger size

Icons here need to be similar in size to the home page. Not compressed.

Please change text to “Advanced Search” and make it larger

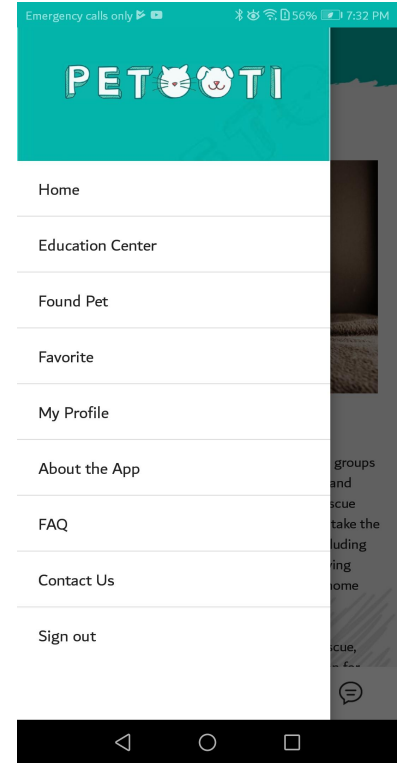

Menu

Amendments needed: The order of menu tap needs to be rearranged

Action: Rearranged menu as per following

Profile
Favorite Pet
Found Pets - This is under review.
Education Center
FAQ
About Petooti
Contact Us

We will remove Home and Sign out

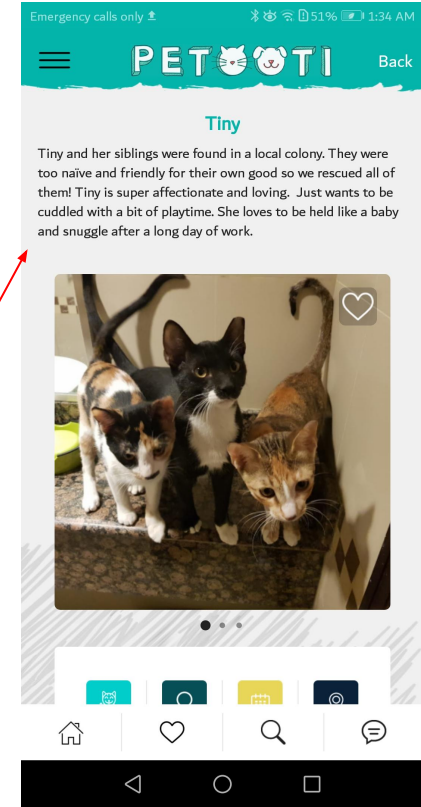

Pet Story

Amendments needed: We are displaying the full introduction about pet in two locations; we need to turn it into a one sentence introduction

Action: Please customize an option of Max 3 sentences introduction for a pet once its listed so when its visible on app user can see a quick intro above images then gets to fill story in box below images

Please also format this for all to be centered not formatted to the left

Please ensure this pet introduction is short and centered

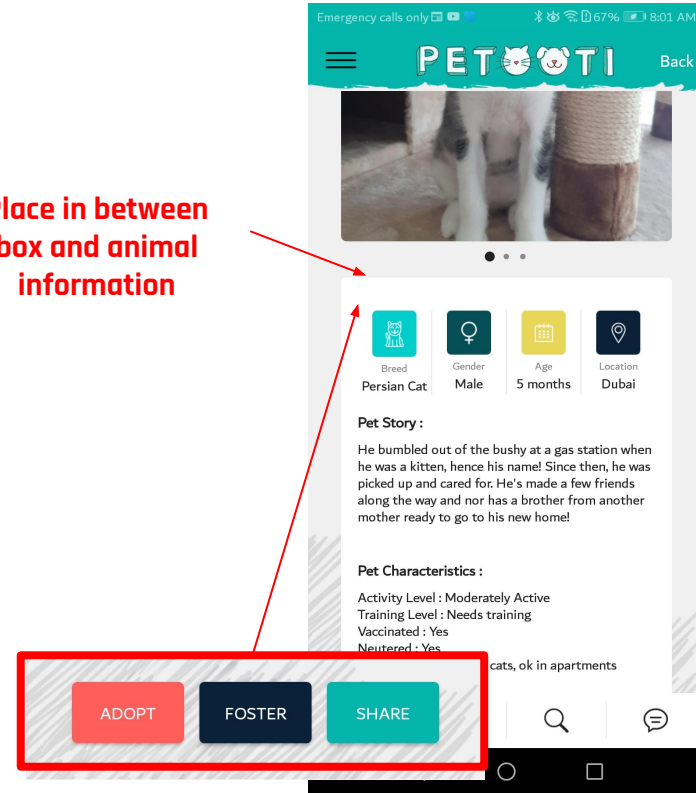

Pet Profile

Amendments needed: Adopt, Foster and Share to be moved under Animal photo

Action: Please push the text box down and place buttons labelled Adopt, Foster and Share between the image and pets' information

Place in between
box and animal
information

Pet Bio 1

1.

Amendments needed:

Make sure titles are bold so no need for colons, Please find example below

Action: Colons to be removed. Examples below

Pet Story

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. etc.

Pet Characteristics

Activity Level - Slightly Active

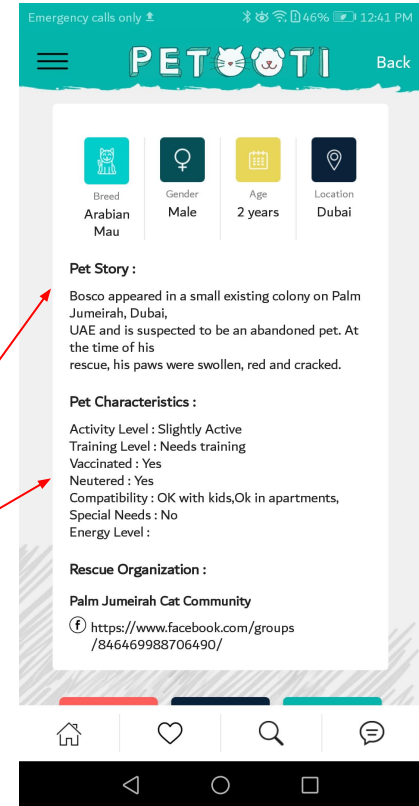

Training Level - Needs Training

Vaccinated - Yes

Compatibility - Kids, Apartments, Senior Citizens

Compatibility

Special Needs

Each pet breed will
have a different
characteristics

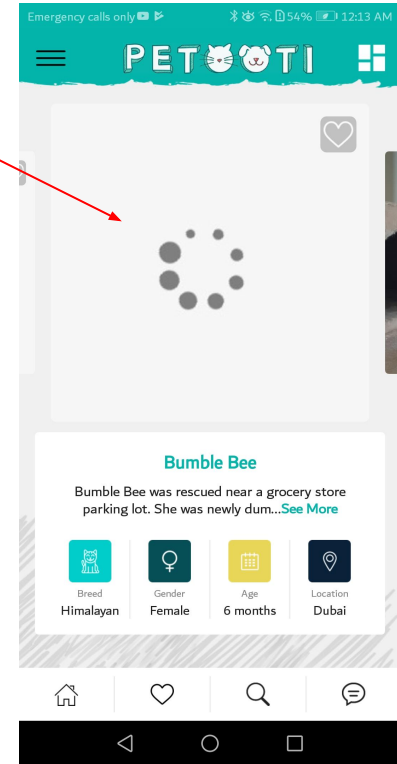

Pet Profile Overview

Amendments needed: Images of the animal need to be shown as soon as they uploaded not in contact loading

Action: Please ensure that uploaded images are indexed correctly so there's no issue retrieving images on profiles

Some images
don't load

Personal Profile

1.

Amendments needed:

Usually in profiles - user has option to add an image with a person photo

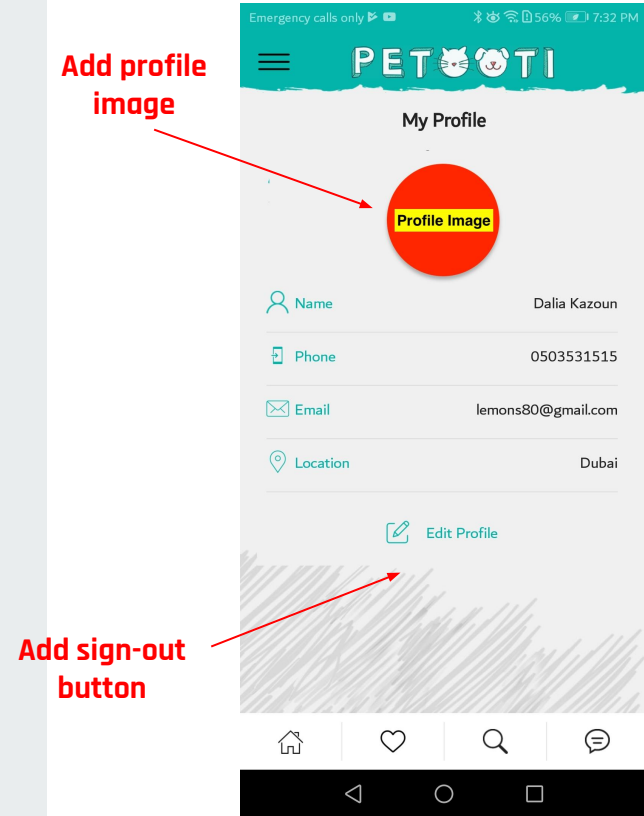

Action: Create space for someone to add a profile image as shown in image on left

2.

Amendments needed:

We need to make sign-out not so easily accessible

Action: Please add a sign-out option for someone to sign out form profile

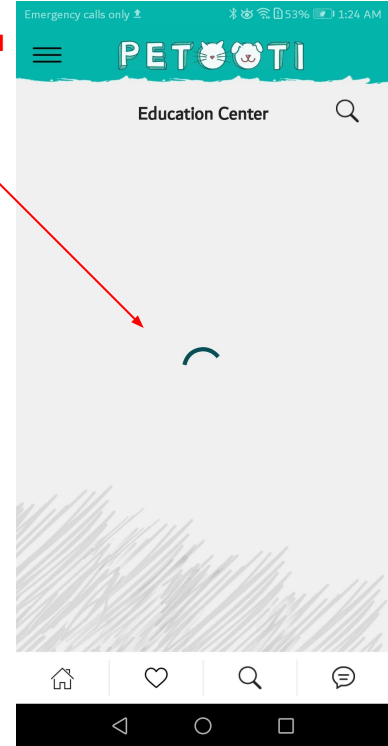

Education Center

Amendments needed: Information from education center needs to be shown here. As currently its constantly showing loading mark or at times the app just shuts off.

Action: Please connect data to education center of the app as its there on the portal. Further you need to ensure that app shutting off stops

Information/data
needs to load

Pet

Amendments needed: Current background is not showing anything when there's no pet listed - we need to add some text informing user that there's no pets available

Action: Please add the following text in the middle and keep it centralized

**Ops, unfortunately there aren't
any pets available at the moment.**

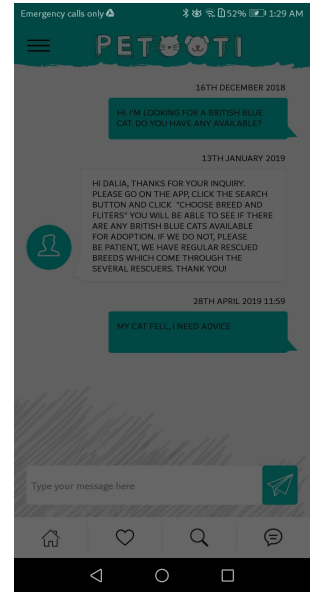

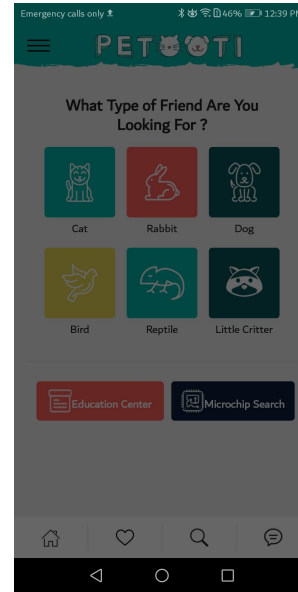

**No pet text
needs to show**

App Freezing

Amendments needed: The app freezes multiple times. As it lags one can't navigate anywhere within the App only option is to close it. Another time the app lags is when you press back button after you once is inside an area alone (showing the loading button)

Action: Please ensure that there's no more lags - and explain to me how you will solve this issue so that we never have this issue again

02

Rescuer Portal

Login page

1.

Amendments needed:

The page needs to be appealing for the rescuers and look legitimate

Action: Use the current logo with the background on the full page and center the logo on the page.

2.

Amendments needed:

Login details should be under the logo

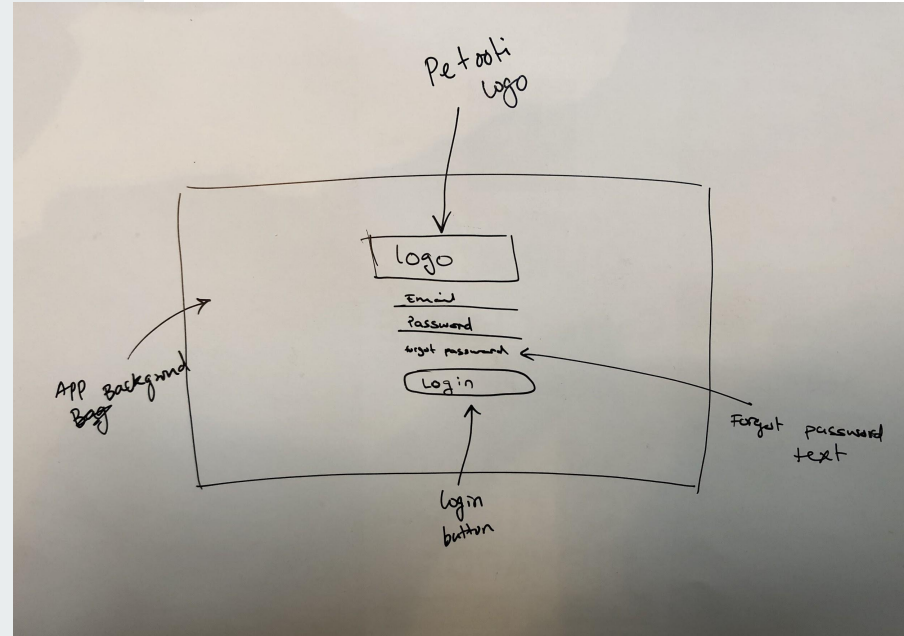

Action: Please place login under the logo and center both to the full page

3.

Amendments needed:

There is no way to restore my password.

Action: Please add "Forgot Password?"

Draft View

Dashboard

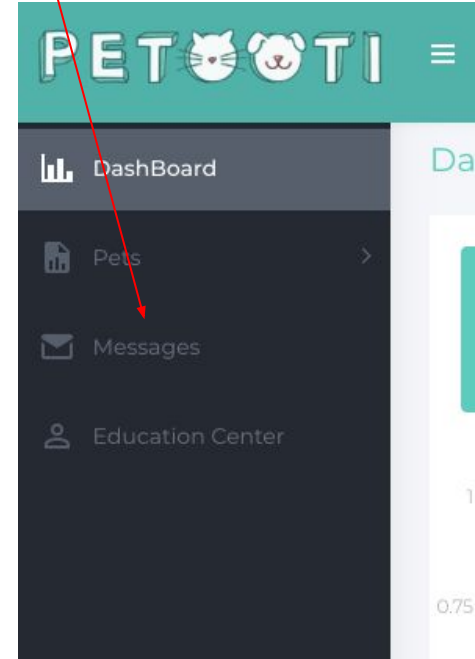

1.

Amendments needed:

Indicate there are unread messages

Action: Please indicate with the number of unread messages (eg: Messages (4))

Indicate there are
unread messages

Pet List 1

1.

Amendments needed:

An explanation is needed to what "comment" and "message" is for

Action: Email with an explanation

Unsure what
these are for?

ue Group	Comment	Status

Pet List 4

1.

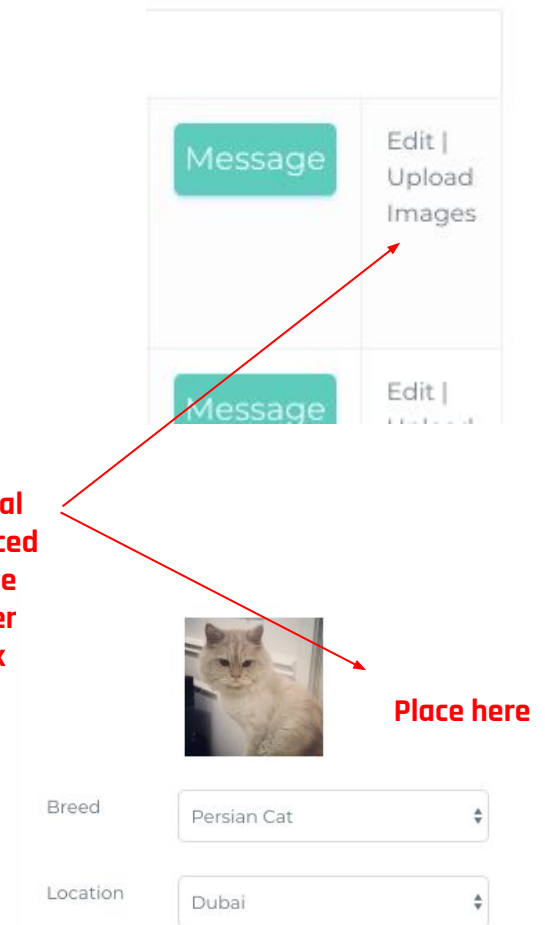

Amendments needed:

Additional animal photos should be approved by SuperAdmin prior to approval

Action: Please allow for up to 3 images to be added per pet, the first photo uploaded will be the main photo

Upload additional
images to be placed
when adding the
animal for Super
admin to check

Place here

The screenshot shows a web form for adding a pet. At the top right is a hamburger menu icon. The form contains a grid of four buttons: the top-left and bottom-left buttons are teal and labeled 'Message'; the top-right button is white with a grey border and labeled 'Edit | Upload Images'; the bottom-right button is white with a grey border and labeled 'Edit |'. A red arrow points from the text 'Upload additional images to be placed when adding the animal for Super admin to check' to the 'Edit | Upload Images' button. Another red arrow points from the text 'Place here' to a photo of a cat. Below the photo are two dropdown menus: 'Breed' with 'Persian Cat' selected, and 'Location' with 'Dubai' selected.

1.

Amendments needed:

Some images are fuzzy and not visible on backend

Action: Please make sure all image resolutions are hi-res and clearly visible

2.

Amendments needed:

Formatting needs to be consistent throughout back end

Action: Please make sure all titles have a semi colon right after the last letter. Then a space and the next word.
(eg: Name: Tiny)

All photos should be crystal clear

What is Trap Neuter Release?				Approved Details
Options for animal relocations	Image		It's really important to think about what the requirements are when it comes to your animals relocation. We wanted to list the options available so you could plan. Some countries are easier than others so it's good to do the research in advance. If you prefer to research on your own, we recommend to use www.pettravel.com to research the requirements of your export country and import country. Should you prefer to have someone else take care of this, you can always contact your local veterinary clinic. Alternatively, we have put together some reputable local companies that would be able to assist with a quotation. Pet Express UAE Wonder Pets Dubai Kennels & Cattery	Approved Details

1.

Amendments needed:
Correct Titles of Pages

Action: Change the titles of the pages to the following

Community Board List to **Article List**

Update Community Borad to **Update Article**

Add New Community Borad to **Add New Article**

**Update
Titles**

The screenshot shows a web interface for an 'Education Center 3'. At the top right is a hamburger menu icon. The main content area has three sections highlighted with red arrows and the text 'Update Titles':

- Community Board List**: This section has a search bar with the placeholder text 'Search by name or file type or details' and a red 'Search' button. Below the search bar is a table with the following structure:

Article Title	Type of Article	Image	Details
Enjoy!	Video		
- Update Community Borad**: This section contains two input fields: 'Article Title' and 'Type of Article'. To the right of these fields are two more input fields: 'What is Trap Neuter Release?' and 'Image'.
- Add New Community Borad**: This section contains four input fields: 'Article Title', 'Community Board Name', 'Type of Article', and 'Small Description'. To the right of these fields are two more input fields: '--Select File Type--' and 'Please Provide Small Details'.

At the bottom right of the page, there is a small image of a cat in a cage and a text block that reads: 'Trap Neuter Release (TNR) is a humane and sustainable way. them to a veterinary clinic, wh back in a safe area. Knowing th kittens per year, this significan of suffering. Many cities, such i adopted TNR programs and sl'.

THANK
YOU.
